SOLID ERASER CONSTRUCTION

KÖRWE

Where **passion** meets **precision**.™

# Liquid CO2 Glass Frosters

**Chills glasses instantly** to maintain ideal cocktail serving temperature, improved taste profile and enhanced presentation.

### Frost

Super-cooled liquid CO2 frosts a glass in seconds.

### Neutralize

Cools warm glasses instantly. CO2 is a dry gas which leaves no condensation and prevents drinks from becoming diluted.

### Sanitize

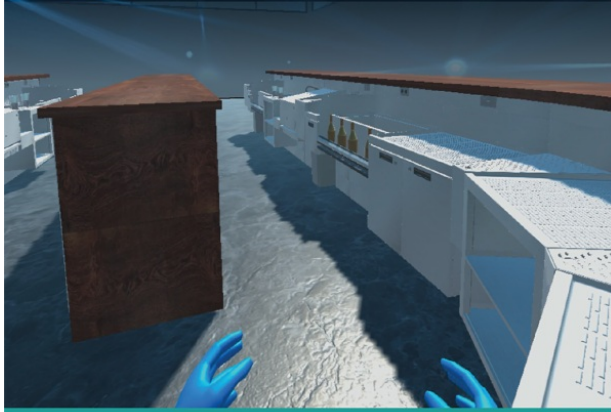

Eliminates bacteria, lingering odors and residue.
