

KROWNE®

Liquid CO₂ Glass Chillers

Chills glasses instantly to maintain ideal cocktail serving temperature, improved taste profile, and enhanced presentation.

Chill

Super-cooled liquid CO₂ chills a glass in seconds.

Sanitize

Eliminates bacteria, lingering odors, and residue.

Neutralize

CO₂ is a dry gas that leaves no condensation and prevents drinks from becoming diluted.

18" W Drainboard Cabinet with Glass Chiller
KR24-MF18

Features (applies to all Glass Chiller models)

- Built-in LED light that activates when chiller is used
- Includes 100/240 V AC plug
- High quality, stainless steel construction
- Requires CO₂ tank with siphon tube (not included)
- 20 lb. aluminum tank recommended which will chill approximately 300-500 glasses
